

Procedures for Consideration and Grant of Tenure

Tenured Faculty's Recommendation

An adequate evaluation of a tenure candidate's qualifications, professional contributions, potential, and determination of whether he or she should be accepted as a tenured member of the campus academic community requires the judgment of both the candidate's faculty colleagues and the responsible administrators. Thus, although recommendations for tenure are administrative actions that must be approved by the Board of Trustees, there should be no positive recommendation for tenure without formal consultation with the tenured faculty of the department in which the candidate holds his or her position.

Each department shall adopt bylaws governing the tenured faculty's consideration of a candidate for tenure. The bylaws shall provide for a meeting of the tenured faculty to debate and discuss the tenure candidacy. The bylaws shall also provide for the manner of taking and recording a formal vote of the tenured faculty on whether the candidate should be recommended for tenure and shall establish the minimum number of votes necessary to constitute a positive recommendation.
